

To mayra alejandra Medina

I love you Ann i hope One day that its gonna be fine for us all.

Not a singel goes whitout me thinking about you and The kids. It always falls to mind and heart some day a little some days more.

But you Are there because i truly love you ❤️

Day 2

I sit at work its lunch time. Just started a new prodject last week inn Vågsgården.

Its a bit stressfølelsen days inn The start to Figure out how things is gonna be and how to do it(its rehab in sentrum).

I can not let My thought of you and The kids mayra so i deside to start to write about it.

I love you whit all My hearth and soul.

I hope your day is good and also for The kids(stephanie is not a kid anymore i know this) 😊 god bless you all i love you ❤️
